Dr. Pedre discusses how eating lean, organic meats, and lots of fresh vegetables helped improve how he felt overall and lays out how it can work for you. Getting rid of processed foods and cooking meals at home can improve your energy levels and general well-being. First and foremost, conquering your unhappy gut involves understanding why your gut is performing below its optimal level. Part I covers how you got to where you are and how your gut was thrown out of balance. It talks about what foods are troublesome...
